Dear Mr. Fullmer:

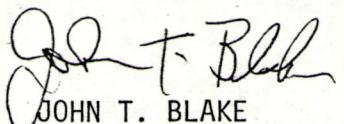

RE: ML 27110, and 27206

It is my understanding that operations by Interstate Brick, and Entrada Industries, on the above-numbered leases has ceased and that upon partial reclamation the bond being held by the U.S. Forest Service to assure reclamation on this operation was released.

Please be advised that an in-lieu bond must immediately be posted with the Division of State Lands by the lessee of record or operator in the amount of \$4,548 to assure total reclamation of all remaining surface disturbances. Failure to comply within 30 days from date of this letter may result in cancellation of these leases.

Please contact me should you have any questions.

Sincerely,

JOHN T. BLAKE
